

Alpine Skating Club Figures Clinic and Test Session

Alpine Skating Club is pleased to announce a Figures Clinic and Test Session July 9-10, 2021.

The clinic will include both on and off ice sessions with renowned figures coaches Teri Hooper and Tamie Campbell, and World Figure Champion Jill Ahlbrecht.

The clinic will include both on and off ice instruction in figures. There will be an option for private lessons following the clinic. Skaters should have passed their Preliminary Moves test or their adult bronze test, unless their coach thinks they are ready, in which case we would need a note from their coach. Private lessons will be provided by Teri Hooper, Tamie Campbell and Jill Ahlbrecht. All lessons will require scheduling with the individual coach. The skater will be responsible for payment to the individual coach.

The tentative schedule for July 9th is:

9:00-9:45am Off-Ice Intro
10:00-11:15am On-ice
11:15-12:15pm Lunch (Sandwiches will be provided)
12:15-1:15pm On-Ice
1:30-3:30pm Private Lesson time (figures only)
3:30-6:30pm Apex Freestyles for other private lessons
**\$10 registration fee for freestyle session will be required*

**Alpine is planning to offer a test session for the Preliminary Figures test on July 10th for those interested.
Schedule to follow.**

The clinic and test session are free to Alpine Members. If space is available, we will offer spots to non-Alpine members for \$30 for the clinic and \$25 for the test session.
